

RULES OF THE SERIES

1. Participants in the series must complete the respective entry forms for each race in which they wish to compete. Race entries that prove unreadable or contain missing information (e.g. age or gender) shall be considered void for purposes of the series.
2. Individuals competing in the series must be registered as a 2012 USA Track & Field Mid-Atlantic athlete member before their performances will be scored. Registrars will be available at each series race to facilitate purchase of USATF athlete memberships.
3. Individuals who register through another association shall not be eligible for series scoring until their membership has been received by the Mid-Atlantic membership chair.
4. Each of the races in the series retains the right to manage its entries, to determine whether to offer prize money, and to operate its own award ceremony. The off-road series will function "after the fact" by using the official race results to determine over all standing. It is intended that current standings shall be on display at each race.
5. A Mid-Atlantic long-distance running rep. shall be present at each event to answer questions, interpret rules, and assist in purchasing USATF memberships.

2012 Off Road Series - USATF Mid Atlantic

6. The 2012 series offers Mid-Atlantic clubs a team challenge independent of the individual competition. See club challenge Grand Prix Circuit brochure or series coordinator for details.

SCORING THE SERIES

1. The Masters Age-Graded tables developed by World Master Athletics (WMA) will be used to score results in each race. Each finisher's time will be divided into the standard for her/his age and gender; this calculation will produce a percentage which will be used to rank performances in the Club Challenge.
2. The top 3 finishers in the Open (19-39), Masters (40-49), Grand Masters (50-59) and Seniors (60+) categories will get really cool awards.
3. The Off-Road Club Challenge will be scored exactly as the Grand Prix Club Challenge and requires 5 finishers per club, of whom one must be a female.
