RULES:

* Any 2014 USATF Mid-Atlantic Association Club is eligible to field a team.
* Runners identify their club team affiliation when they submit their individual USATF membership for 2014. Team members must be registered USATF members **before** the event in which they are participating. USATF registrars will be available before each race to take applications.
* *Unattached* runners who have already registered for 2014 should notify USATF Mid-Atlantic in writing if they wish to be affiliated with a club. E-mail Doreen McCoubrie at doreencoubs@aol.com.
* USATF rules concerning club changes will be observed - a 90-day waiting period is required.
* Team scoring will be based on 5 runners from the same club finishing the race.
* Each team must include at least one female. Team scores will be calculated for the entire series in 2014.
* Team scores will be determined by adding the scoring members' age-graded percentages. We use the current World Masters Athletics tables to calculate those percentages.
* Team members may obtain their 2014 Mid-Atlantic membership at any time before the last race of the series.
* Year end cash awards will be: 1st - $500, 2nd - $400, 3rd - $300, 4th - $200, 5th $100. In order to qualify for a cash award, a club must compete and score in at least 4 of the 8 races in the series.
* Runners must compete in a minimum of two (2) races in order to be considered for Individual Age Group awards. **Age Group for the year will be determined by runner's age at the first race that he/she runs in the series.**
* The USATF Mid-Atlantic Off Road Series Club Challenge is a separate competition and is not affiliated with the host race's team competition. See our website at www.mausatf.org for more information.
